

Re-energising your staff engagement

Staff engagement and keeping staff engaged is one of the biggest challenges faced by our RAP partners.

Our latest series of Learning Circles aims to give you some practical and innovative ideas for engaging your staff that you can take away and implement in your own environment. We will hear from a panel of RAP partners who will discuss the success they have had and the challenges that they have overcome when keeping staff engagement dynamic.

This Learning Circle will be a chance to ask questions, learn more about the resources and support that RA can provide to you and leave you re-energised in relation to Staff Engagement.

Panellists include senior representatives from:

Lisa Morgan - THIESS

Colin Crosbie – State Library Queensland

Margaret Yuille – Micah Projects Inc
